## Fraud Alert

### Attorney General Swanson Issues Fraud Alert to Warn Minnesotans of Financial Scams

There are Foreign Lottery scams, Cashiers Check scams, Advanced Fee Loan scams and Phishing scams which are all advanced by new technology. Please be aware that if you did not enter a lottery, you did not win. Don't accept a check with the condition of wiring back a portion to pay taxes necessary to collect winnings. If you receive a cashiers check for more than what you may be selling and are asked to wire back the difference-it will be a scam. If you are given a loan with reasonable terms but are then asked to pay a "deposit" to close the deal-drop them like a hot potato. Phishing cons will try to dupe you of your Social Security Number, bank account number or PIN to commit identity theft. Never respond to a phone or e-mail solicitation of this type. Legitimate businesses already know this information if they need it.

Please pass this information to others, as the best way to fight con artists, is for the consumer to be knowledgeable about their games. More information on safety/identity theft can be found on our website [www.firstpacecu.com](http://www.firstpacecu.com).
