

SAVE SMALL DREAM BIG at your credit union™

Dreaming big doesn't mean you need to start with big actions.

The first small step is usually the hardest, but once it's taken, momentum can propel you forward.

We want to tell young members that their dreams are attainable, no matter how big they are.

Save Small. Dream Big. at your credit union™. One day you may have enough to fulfill a financial dream!

- FIRST PACE Credit Union has tools to help fulfill these dreams.

STEPS FOR SAVING:

- Start a Youth saving account- earn compound interest.
- Youth make regular small deposits- watch savings grow “like magic.”
- The earlier kids start saving- the more it will grow & the easier it will be to achieve their dreams.
- Learn good financial habits- be set up on the path of successful financial well-being.
